

**Minuteman<sup>®</sup>**  
Excellence Meets Clean

**RapidAir<sup>™</sup>**  
Carpet and Floor Dryer

## Key Features

- Stackable design
- Convenient built-in cable wrap
- Operates at 0, 45, or 90 degree angle

## Markets/Applications

- Institutional
- Industrial
- Flooded areas
- Commercial
- Hospitality
- Carpets after extraction
- Hard floors after stripping
- Flooded areas
- Upholstery/carpeted walls after extraction
- Fresh paint
- Improved facility ventilation
- Advertising Balloons

## General Overview

- Designed to create and channel airflow while maximizing CFM
- 1HP motor generates, cuts drying time in half
- Can be operated at 0 degrees or can be operated at a pitch of 45 or 90 degree angles to circulate airflow

## Productivity

- Three different speeds to meet any need
- 1 HP motor gives optimum performance

## Ease of Use

- Lightweight design for easy transport
- Multiple positions

## Safety

- Protective screens at every opening
- Non-Conductive housing
- 3-Prong 14-gauge grounded cord
- Non-marking rotationally molded housing

## Accessories/Options

- UL approved model available

| Specifications              |  |
|-----------------------------|--|
| <b>Velocity</b>             | 6,200 ft/min (1,889.8 m/min)               |
| <b>Motor</b>                | 1 HP (.75 kw)                              |
| <b>Housing Construction</b> | Rotationally molded polyethylene           |
| <b>Fan Construction</b>     | Non-corrosive polypropylene                |
